TIPS & TRENDS FOR PLANNING
YOUR NEXT BIG EVENT

Corporate events have to tick all the boxes- fun yet formal, interactive but informative, picture-perfect and professional- how do you find a balance? We'll walk you through our tips & tricks for any event.

PLAN EARLY

Make sure to lock in your rentals early, especially if you need to seat a large crowd!

TAKE NOTE

Give attendees room to work with our 18in. conference tables.

MIX IT UP

Offer guests mixed seating options for any comfort level.

SUSTAINABILITY STAYS

Avoid disposables and upgrade to your favorite china.

SET IT UP

Make your event (live or virtual) top-notch with a beautiful set backed by our boxwood walls (& your branding).

YOUR NAME IN LIGHTS

Branding is key. Splash your logo (or your sponsors'!) on easels, clings on acrylic chairs, Boxwood Walls or custom Harpeth Bar inserts.
